Conditions of sale:
The information contained on this label is believed to be accurate and reliable. Buyer and user acknowledge and assume all liability resulting from the use of this material. Follow directions carefully. Timing, method of application, weather, crop conditions and other factors are beyond the control of the seller.

CAUTION: KEEP OUT OF REACH OF CHILDREN

When handlers use closed systems, enclosed cabs or aircraft in a manner that meet the requirements listed in the Worker Protection Standards (WPS) for agricultural pesticides [40 CFR 170.240(d) (4-6)], the handler PPE requirements may be reduced or modified as specified in the WPS.

User Safety Recommendations
Users should:
• Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
• Remove clothing immediately if the product gets inside. Then wash thoroughly and put on clean clothing.

FIRST AID
If in the eyes: • Hold eye open and rinse slowly and gently with water for 10-15 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. • Call a poison control center or doctor for treatment advice.

If on the skin or clothing: • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.

If inhaled: • Move person to fresh air. • If person is not breathing, call 911 or ambulance, then give artificial respiration, preferably by mouth-to-mouth. • Call a poison control center or doctor for treatment advice.

If swallowed: • Call a poison control center or doctor immediately for treatment advice. • Do not induce vomiting. • Do not give anything by mouth to an unconscious person. • Avoid alcohol consumption after swallowing. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

Note to Physician:
Contains petroleum distillates. Vomiting may cause aspiration pneumonia.

Personal Protective Equipment (PPE)
Applicators and other handlers must wear:
• Long-sleeved shirt and long pants
• Waterproof gloves
• Shoes plus socks

Follow manufacturer’s instructions for cleaning and maintaining PPE. If no such instructions exist for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

When applying this product, or when entering areas where it has been applied, handlers and their clothing, equipment, and clothing should be washed with soap and warm water or detergent and hot water and then rinsed with soap and water, or washed with detergent and hot water. If a sprinkler is used to wash the equipment, allow it to dry completely before reusing.

Agricultural Chemical: Do not ship or store with food, feeds, drugs, or clothing.
